Triumph Tip

Roof Inspection Importance

When a roof is over 15 years old, the underlayment (synthetic layer of roof protection - from wind, rain, snow and water damage) has likely expired. When expired, it becomes dry, brittle and curls (see pic). In this condition, more roof and home damage can occur if left untreated.

We highly recommend getting routine roof inspections if your roof is over 15 years old. These inspections are like going to your primary care doctor or dentist for a checkup - it's smart and proactive in order to maintain good health!

If you haven't had a roof inspection for over a year or two and your roof is the original roof (10+ years old) it's time to get an inspection! Doesn't necessarily mean you need a new roof, but a trusted professional roofer can keep a good eye on it the next few years before a leak and additional damage occurs

Shingle

Build of the Month

For aesthetic purposes, this Phoenix homeowner wanted to take his tile roof and change it out for dark shingles.

As part of his remodel plans of having a black and white contrast, the dark shingles would be part of pulling the whole look together. Next up is painting the entire house.

We were excited to partner with the homeowner to help with home's "facelift" and new look. We may be biased, but we think it looks great!

What's for Dinner?!

We highly recommend adding this **Smash Burger** Recipe (by Allrecipes) into your dinner rotation. They are super easy to make and are a huge hit around any table, even for your most picky eaters!

Prep Time: 10 mins
Cook Time: 10 mins
Total Time: 20 mins
Servings: 4

Directions

1. Combine mayo, ketchup, mustard, relish, and hot sauce in a small bowl; set sauce aside.
2. Heat a griddle over medium-high heat.
3. Divide beef into 4 loose portions and place them in mounds on the hot griddle. Season evenly with salt and pepper and cook for 2 minutes.
4. Place a tortilla on top of each beef portion and press down to flatten the beef into the shape and size of the tortilla.
5. Cook until tortilla is golden-brown, 2 to 3 more minutes. Flip each patty over and top with cheese. When cheese has melted and the tortilla has lightly browned, top with lettuce and onions. Drizzle with sauce, remove from the griddle and fold in half like a taco. Serve immediately.
